MAKE A WREATH

the WORD
NATIONAL CENTRE for the WRITTEN WORD

Make your own wreath this Christmas

What you will need:
- Paper plate
- Coloured tissue paper (we used green but you can use any colour)
- Card (we used red but choose a colour of your choice)
- Scissors
- Glue
- Ribbon

Step 1:
Cut the centre out of the paper plate

Step 2:
Cut the tissue paper into strips

Step 3:
Cut the strips into rectangles

Step 4:
Fold the rectangles in half

Step 5:
Cut half a leaf shape

Step 6:
Open up the tissue to reveal the leaf shape

Make sure you have enough leaves

Step 7:
Glue the leaves to the wreath, layering it up until it is all covered
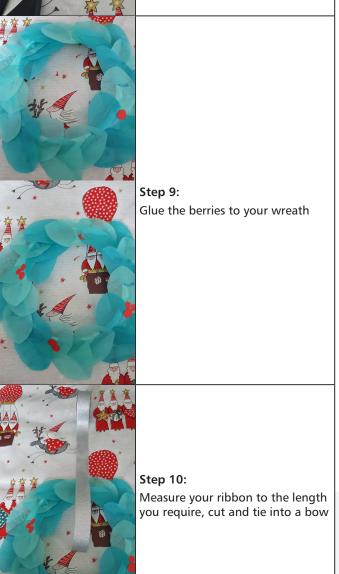

South Tyneside Council

Step 8:

Cut berry shapes out of your card

Step 9:

Glue the berries to your wreath

Step 10:

Measure your ribbon to the length you require, cut and tie into a bow

Step 11:

Hang your wreath to decorate your home
